CUSTOM-DESIGNED BATHROOM FURNI- TURE

Henneke Formbau GmbH, which began as a small workshop operation in 1988, has evolved into a market leader - not only in the field of mold construction for ceramic and fireproof components but also as a specialist for Corian®.

With over 20 years of experience and a remarkable track record in the field, Henneke Formbau GmbH has emerged as a leading specialist in mold construction and Corian®. Our aggregate experience and know-how makes us an expert partner for our clients.

BATHROOM FURNITURE

SMALL BATHROOMS TAHT LIVE LARGE!

An additional mirror cabinet or a piece of furniture designed to save space can really upgrade your bathroom and provide extra storage space. Our remarkable furniture for small bathrooms has a depth of only 40 cm while offering excellent convenience and lots of elbow room. Unbelievable to think that this is possible!

MIRRORS

Mirror collages, hinged mirror cabinets, and mirror cabinets offer you side-views, integrated electrical sockets and storage space for cosmetics and odds and ends. Clever cabinet partitioning ideas result in cabinet interiors with ample shelf space that allows everything to be in its right place. Thus, your bathroom will be a convenient part of your daily routine. It goes without saying that our products have been engineered to perfection. Drawers and pullouts can be fully extended on metal full-extension runners and are self-closing. Doors and drawers can be removed for easy cleaning and high-quality hinges ensure a long product life.

VANITIES

Whether you are planning a new bathroom from scratch or refurbishing an old bathroom, customized bathroom furniture solutions are an investment for many years. Those who choose quality save the most. Don't pay more than you need to and make use of our option to buy directly from the manufacturer. Customized to your specification in width and partitioning – with perfect lighting and abundant storage space, our bathroom cabinetry is available in over 300 colors. Choose your style from a huge selection encompassing modern, straight-lined angular shapes to soft-lined, contoured designs. Easy maintenance sink and vanity top materials, for example, ceramics, high-quality mineral casting or Corian Stone are available for selection in various forms and styles. Vanity tops, customized for your bathroom and offering broad, seamless space to the left and/or right of your sink, provide maximum convenience, optimized space utilization and superior hygiene.

BATHROOM FURNITURE

CUSTOMIZED BATHROOM FURNITURE

A wash stand just as you had imagined it! So you are looking for a washstand based on own specifications that offers ample and seamless space for positioning your bathroom items to the left and/or right of the sink while also providing superior hygiene? Our washbasins can be manufactured up to a width of 210 cm. They feature matching base cabinets with lots of storage space. Your custom-designed washstand will provide maximum convenience and optimized space utilization.

COLORS

Choose a color for your dream bathroom from an almost unlimited color palette! We offer over 300 colors from classic white with a matt finish to high-gloss special colors (all RAL colors). Our selection is huge!
